CfgMgmtCamp 2017 Sponsor Documenation

1 About

ConfigManagementCamp is a community wide event held in Ghent, Belgium, just after FOSDEM.

The event grow from PuppetCamp, and has in the meantime grown to include all communities around Configuration Management in it broadest sense.
The first CfgMgmtCamp was held in 2014, and has grown from about 350 to more then 600 registered attendees.
The event is now organized with, for, and by many people from the different open source configuration management communities and the evolution therof.
We have the privilege to use the venue of the Hogent university, where previous events of PuppetCamp and DrupalCone have been held.

This year CfgMgmtCamp takes places on 6 February 2017 and 7 February 2017 in Ghent, Belgium, just after FOSDEM 4 February 2017 and 5 February 2017 in Brussels, Belgium.
CfgMgmtCamp is held after FOSDEM to facilitate travelling speakers to combine FOSDEM and CfgMmgtCamp.
The fact that many people will already be travelling to Brussels for FOSDEM makes it easier to attract the right group of international people.
We have commitments from the following communities :

- Ansible

- CFEngine

- Rudder Project

- Chef

- Foreman

- Juju

- Puppet

- SaltStack

CfgMmgtCamp strives to include all open source communities. participants, and contributors.

2 Sponsorship

CfgMgmtCamp is a free event, we aim to be a place for learning and working together within the different communities as well as across those communities.
We offer an array of sponsor opportunities that fit a wide choice of options.
If the standard sponsor options do not fit your needs, please contact us to discuss any flexible sponsor options.
When choosing your prefered sponsor budget, please keep in mind that we aim to keep the event FREE.
We provide breakfast, lunch and coffee during the breaks to all attendants and a social event on Monday evening.
Budget permitting we hold a speakers dinner and T-shirt or swag.

Level	Metal	Bronze	Silver	Gold	Platinium	Titanium
Limit	∞	∞	∞	∞	5	3

- Limit : This indicates the maximum number of sponsors in that level.

- Invoice : We provide an invoice from a Belgian company, please provide us with a valid EU VAT number or an export address.

- Website : Your name or logo is mentioned on the website `http://cfgmgmtcamp.eu` .

- Shared table goodies : You have access to put company sponsored swag on a shared table.

- Speakers dinner invite : if budget permits, we organize a speakers dinner on Sunday in Ghent Centre, you, as a sponsor get an invite.

- Booth : The venue permits us to have some booths, that attendents can visit during the breaks or lunch, you can use this booth, as sponsor, to display, promote your product, services, material, or swag. We encourage sponsors to send people with in-depth technical knowledge as most of the attendies have a technical background. We provide you only with a table, and advice you to keep it simple.

- Sponsor pitch : As a sponsor you will be permitted to do a Ignite talk with a commercial touch. We recommend all sponsor to keep it as technical commercial.

- Streaming logo : If budget and resources permit, we will stream or record the event, your logo as a sponsor will be added here.

3 Team

CfgMgmtCamp is organised by some of the thought leaders in the Configuration Management and DevOps spaces. As there are many communities involved, the organisation consists of many people. All people involved help in their way to contribute to the overall success of the event.
